Commissioner for Patents

Sir:

This case was filed as a Large Entity and remains a Large Entity case.

It has just come to the attention of the undersigned that the fee paid on February 28, 2005 for a Request for Continued Examination was in the amount for a small entity. However, this application is a large entity application and the fee submitted for the RCE on February 28, 2005 was an error.

It is further recently discovered that no charge was made to the applicants deposit account for remainder of large entity fee as requested in the transmittal letter for the RCE (copy enclosed herewith).

Accordingly, enclosed herewith is our check in the amount of \$395.00 in payment of the remainder RCE fee which should have been deducted from the deposit account of the undersigned.

The deficiency owed amount is determined as follows:

RCE fee for Large Entity	-	\$790.00
Amount actually paid	-	\$395.00
Deficiency payment enclosed	-	\$395.00
